EVIARE

AGILE & SCRUM

Master workflow best practices in your organisation.

According to Burning Glass, the growing need for Agile skills development is projected to grow by over 7% over the next decade. Devaire offers Agile and Scrum courses that will help organisations establish and advance their employee skill set, to better manage and leverage agile projects.

Our courses provide industry relevant tools and skills to help professionals grasp essential Agile methodologies and use them to streamline workflow, and improve your organisation's turn around time.

DEVIARE

Enhance your workforce with critical digtial skills.

There can be no digital transformation without the transformation of skills to new and modern areas. We know that it takes more than simply staff training to improve a workforce's abilities. Deviare's learning platform provides an adaptable, continuous learning experience with effective feedback loops tailored to each individual's needs. Organisations must invest in the ongoing development of skills that fulfil technical certification criteria while also covering enough of the business environment to be valuable for the organisation.

We provide corporate training in the emerging technologies that are transforming our economy. Our Adaptive Learning Platform can curate customised learning while accommodating for large candidate volumes.The workforce skills transformation produces an applied skill with the appropriate accreditation, where applicable.

Are you looking to up-skill or re-skill your employees so that your organisation can prosper in the digital age? Get in touch.
